November 2nd General Election Information

The Bernalillo County Clerk's office is gearing up for this fall's mid-term election (to be held on Tuesday, November 2), and we wanted to make sure that you (and the neighborhood associations you represent) are aware of the opportunity to become a Poll Official.

Each year our office recruits hundreds of Poll Officials to help carry out the voting process on Election Day, for over 420 precinct locations across Bernalillo County. Serving as a Poll Official is a tremendous opportunity to put your patriotism into action by serving your community in an important position of trust. Some basic duties of a Poll Official include: the opening and closing of polling sites, orderly conduct of the voting process, verifying and assisting voters and performing the initial vote tabulation once the polls close.

Bernalillo County Poll Officials are a highly diverse group of community members from all walks of life. From professionals and self-employed individuals to senior citizens and students, Poll Officials are on the front lines of the electoral process. They are your neighbors, your friends and your family members.

If you'd like to learn more about becoming a Poll Official or would like to schedule a time for a member of our staff to come out and talk with your neighborhood association, please contact Charlotte Chinana at 505-697-1142 or by email at cchinana@bernco.gov.
